Pesto **TASTE OF EUROPE** is made with Genovese basil PDO, blend of extra virgin olive oil and sunflower seed oil. This pesto is more delicate because percentage of basil is lower. Genovese basil is the most tender and delicious basil in the world because grow in a land suspended between soil and sea.

Pesto **TASTE OF EUROPE ALA GENOVESE** is made with Italian basil, sunflower seed oils only. There is higher percentage of basil, thicker consistency and can be used with pasta but also as spread.
